SEMINAR IN SPORT MANAGEMENT

PROFESSIONAL RESEARCH PROJECT

ASSIGNMENT

You will be assigned to research and report on a topic related to your desired work and career in the Sport Profession. Students will research at lengths a selected topic and which will include a 10 Page research paper shared with fellow classmates. This project will be subdivided into pieces progressing toward the presentation at the end of the term. Presentations will be scheduled 2 students per class period after Spring Break.

ASSIGNMENT LOGISTICS/SPECIFICS

- **Professional Presentation Topic Selection**

- **Developing Research Questions**

- **Annotated Bibliography – 100 Points (30% of the Final Grade)**

- **Professional Presentation – 100 Points (70% of the Final Grade)**

Annotated Bibliography

You will prepare and submit an annotated bibliography consisting of the 10 sources to be used guiding and formatting your Professional Presentation. An **Annotated Bibliography** is an alphabetical listing of the sourced references (in current APA format), with a brief full paragraph explaining the contents of each resource. It must not summarize the article or book or list its contents; rather, it must briefly explain the author's main point or argument; the author's method or approach. The Annotated Bibliography as a whole must provide a solid overview of the existing state of the discussion in the area you are studying.
